

## SESSION 1

Biology of BRCA Mutated Tumors: How Different is it?

Chair of Session: **Saketh Guntupalli, USA | Joanne Ngeow, Singapore**

- 08:30 – 08:45 Introduction to iBRCAf  
**Shaheenah Dawood, UAE**
- 08:45 – 09:00 Genomics 101  
**Eliza Courtney, Singapore**
- 09:00 – 09:15 Understanding the biology of DNA repair mechanisms and using them as a therapeutic target  
**Saketh Guntupalli, USA**
- 09:15 – 09:30 BRCA Sequencing of tumors: understanding its implications in the oncology community  
**Lee Soo Chin, Singapore**
- 09:30 – 09:50 Current guidelines for screening patients with BRCA mutations: Who should we target and why?  
**Ritu Salani, USA**
- 09:50- 10:15 How should we test for genetic mutations?  
**Lisen Axell, USA**

10:15 – 10:30 **COFFEE BREAK**

## SESSION 2

BRCA Mutations: Questions we commonly ask?

Chair of session: **Dhairyasheel Savant, India | Teo Soo Hwang, Malaysia**

- 10:30 -10:50 Variance of unknown significance: How do we approach this ?  
**Ahmed Al Niami, USA**
- 10:50 – 11:05 Psychosocial concerns for patients with BRCA2/1 mutations  
**Chen Yanni, Singapore**
- 11:05 – 11:35 Fertility issues when you have a BRCA mutation: a practical approach?  
**Nathalie McKenzie, USA**
- 11:35 -11:55 Risk reducing surgery among women who have BRCA mutations  
**Jubilee Brown, USA**
- 11:55 – 12:15 Surgical issues when you have a BRCA mutation  
**Wendel Naumann, USA**

12:15 – 13:00 **LUNCH BREAK**

- 12.30 -12.55 Clinical cases on the use of PARP inhibitors  
**Mathew Powell, USA**

## SESSION 3

BRCA Mutations and Breast Cancer

Chair of Session: **Samuel OW, Singapore** | **Karmen Wong, Singapore**

- 13:00-13:15      Prevention of breast cancer in BRCA 1 and 2 carriers  
**Omal Khair, KSA**
- 13:15-13:35      Approaching a woman with breast cancer and BRCA mutation:  
PARP inhibitors and beyond  
**Shaheenah Dawood, UAE**
- 13:35-13:50      Looking beyond BRCA mutation in breast cancer:  
Implications of PALB2, CHECK2 and ATM mutations  
**Joanne Ngeow, Singapore**
- 13:50-15:00      Panel discussion: Challenging cases of breast, Ovarian & BRCA mutations  
Moderator: **Lee Guek Eng, Singapore** | **Samuel OW, Singapore**  
Panellists: **Aparna Dhar, India** | **Teo Soo Hwang, Malaysia** |  
**Ritu Salani, USA** | **Dhairyasheel Savant, India** | **Saketh Guntupalli, USA** |  
**Matthew Powell, USA** | **Elaine Lim, Singapore**

15:00 – 15:15      **COFFEE BREAK**

## SESSION 4

A Global look at BRCA Mutations

Chair of Session: **Eliza Courtney, Singapore** | **Karmen Wong, Singapore.**

- 15:15 –15:25      A snapshot view from the Middle East  
**Omal Khair, KSA**
- 15:25 – 15:40      A snapshot view from Malaysia  
**Teo Soo Hwang, Malaysia**
- 15:40 – 15:50      A snapshot view from India  
**Aparna Dhar, India**
- 15:50– 16:00      A snapshot view from Indonesia  
**Ariananda Hariadi, Indonesia**
- 16:00– 16:15      A snapshot view from Singapore  
**Joanne Ngeow, Singapore**
- 16:15– 16:35      A snapshot view from the USA  
**Saketh Guntupalli, USA**
- 16:35- 16:50      Open Panel discussion

## SESSION 5

BRCA Mutations and Gynaecological Malignancies

Chair of Session: **John Chia, Singapore | Jack Chan, Singapore**

- 08:30 – 08:45 How common are BRCA mutations in gynaecological malignancies?  
**Chay Wen Yee, Singapore**
- 08:45 – 09:00 Molecular genetics and histology of ovarian cancer: A new classification system?  
**Adele Wong, Singapore**
- 09:00 – 09:30 Clinical role of PARP inhibitors in the management of ovarian cancers  
**Matthew Powell, USA**
- 09:30 – 10:00 Systemic therapy for BRCA mutated ovarian cancer: PARP vs Bevacizumab?  
**Robert Coleman, USA**
- 10:00 – 10:45 Panel discussion:  
Challenging cases of BRCA mutation positive Gynae, GU and GI malignancies  
Moderator: **Jack Chan, Singapore**  
Panellists: **Dhairyasheel Savant, India | John Chia, Singapore**  
**Robert Coleman, USA | Teo Soo Hwang, Malaysia | Karmen Wong, Singapore.**

10:45- 11:00 **COFFEE BREAK**

## SESSION 6

Beyond Breast and Ovarian Cancer

Chair of Session: **Chay Wen Yee, Singapore | Dhairyasheel Savant, India**

- 11:00-11:10 Service delivery models for genetic counselling and testing for inherited cancer  
**Lisa Ku, USA**
- 11:10-11:25 Clinical significance of BRCA mutations in Genitourinary Cancers  
**Ravindran Kanesvaran, Singapore**
- 11:25-11:40 Clinical significance of HR pathway in other cancers  
**Joanne Ngeow, Malaysia**
- 11:40-12:00 Going beyond BRCA: Next generation of genetic biomarkers  
**Joe Yeong, Singapore**
- 12:00-12:15 Integrating tele genetics into current clinical practice  
**Shaheenah Dawood, UAE**
- 12:15-12:30 Open Panel discussion
